FIRST NATIONS WORK PLAN TEMPLATE
~ FOR TABLES IN ADVANCED NEGOTIATIONS ~

This is intended as a starting point for consideration by First Nations engaging in Stage 4 activities via the 6-Stage Process, in advanced level negotiation activities via an incremental approach, or any combination thereof.

SUMMARY

This section will outline the work the First Nation will engage in over the term of the agreement. First Nations are required to submit workplans that are of the same duration as their funding agreements, and these workplans need to be updated on an annual basis. Workplans could include topics such as community engagement, overlap/shared territories, lands selection, and technical work. First Nations are also encouraged to include working groups, other side tables, potential Treaty Related Measures (TRM) proposals, and status of potential or existing Incremental Treaty Agreements (ITA).

AREAS OF WORK

This template contains possible areas of work for consideration in a workplan. For example, areas of work should include (but not limited to) treaty/tripartite reconciliation negotiations, community engagement, best efforts to resolve overlap/shared territory issues with neighbouring First Nations, Nation building and governance work, agreements and other constructive arrangements, chapter work, and other treaty/tripartite reconciliation related work.

Under each area of work, First Nations may identify initiatives, deliverables and/or milestones to track progress. This template is intended to be used as a starting point to identify work for advancing negotiations at the table. Some of these suggested areas of work (e.g. chapter work, treaty/tripartite reconciliation related work) may be better suited to the tripartite workplan.

DELIVERABLES

Deliverables should identify the intended/projected outcomes of each area of work. For example, a deliverable of youth engagement initiatives may be an increase of youth participation in treaty/tripartite reconciliation discussions.

TARGET FREQUENCY

This is the intended frequency of an initiative. For example, a newsletter may have a target frequency of every two weeks, and a social media strategy may have a target frequency of once a week.

RESPONSIBLE PARTIES

Please include the titles of individuals or departments who will execute an identified task. For example, the development of a membership list may include a Treaty/Tripartite Reconciliation Coordinator, a Self-Governance Manager, and/or a Communications Coordinator.
